Subject: Urgent Need for Proper Waste Disposal Awareness in our City.

Respected Sir/Madam,

I am writing to highlight the growing concern of improper waste disposal in our city. Careless littering and the lack of effective waste management are leading to pollution, health hazards, and environmental degradation. Heaps of garbage in public spaces pose risks to both residents and wildlife, making cleanliness a crucial issue that needs immediate attention.

Raising awareness among residents is essential to combat this problem. People must be educated about proper waste segregation, recycling, and responsible disposal methods. Government agencies and communities should work together to implement stricter regulations and efficient waste collection systems.

Through your esteemed newspaper, I urge authorities and citizens to take collective action for a cleaner, healthier city. Let's ensure a sustainable future through responsible waste management.

Thank you
Sincerely yours
Arnav

Subject: Urgent Concern Over Unsafe water Supply

Respected Sir/Madam,

I wish to draw attention to a serious issue affecting the residents of Ajit Vihar. For several weeks, our household's water supply has been muddy and unfit for drinking. Despite repeated complaints, the authorites have failed to take effective action, putting the health of countless families at risk. Contaminated water can be lead to severe illnesses, making this a matter of immediate concern.

It is imperative that the Civic authorities address this issue without further delay. Proper filteration, pipeline maintenance, and stringent water ~~quality~~ quality checks must be implemented to ensure safe drinking water for all. Public health should never be compromised due to negligence.

Through your esteemed newspaper, I urge the concerned officials to take swift action. Residents deserve a clean and reliable water supply, and I hope immediate steps will be taken to resolve this issue.

Thank you

Sincerely,
Sumit Singh.
