# Marking Scheme

**Strictly Confidential**

**(For Internal and Restricted use only)**

**Secondary School Supplementary Examination, 2024**

**SUBJECT NAME: ENGLISH LANGUAGE AND LITERATURE**
**SUBJECT CODE: 184** **Q.P. CODE-2/S/1**

**General Instructions: -**

| | |
|---|---|
| **1** | You are aware that evaluation is the most important process in the actual and correct assessment of the candidates. A small mistake in evaluation may lead to serious problems which may affect the future of the candidates, education system and teaching profession. To avoid mistakes, it is requested that before starting evaluation, you must read and understand the spot evaluation guidelines carefully. |
| **2** | **"Evaluation policy is a confidential policy as it is related to the confidentiality of the examinations conducted and several other aspects. Its leakage to public in any manner could lead to derailment of the examination system and affect the life and future of millions of candidates. Sharing this policy/document with anyone, publishing in any magazine and printing in News Paper/Website/ Social Media etc. shall invite action under various rules of the Board and IPC."** |
| **3** | Evaluation is to be done as per instructions provided in the Marking Scheme. It should not be done according to one's own interpretation or any other consideration. Marking Scheme should be strictly adhered to and religiously followed. Students can express given value points in different ways for which due marks should be awarded |
| **4** | The Head-Examiner must go through the first five answer books evaluated by each evaluator on the first day, to ensure that evaluation has been carried out as per the instructions given in the Marking Scheme. If there is any variation, the same should be discussed and deliberated upon with the evaluator. The remaining answer books, meant for evaluation, shall be given only after ensuring that there is no significant variation in the marking of individual evaluators. |
| **5** | Evaluators will mark( √ ) wherever answer is correct. For wrong answer CROSS 'X" be marked. Evaluators will not put right (✓)while evaluating which gives an impression that answer is correct and no marks are awarded. **This is the most common mistakewhich evaluators may commit.** |
| **6** | If a question has parts, please award marks on the right-hand side for each part. Marks awarded for different parts of the question should then be totalled up and written in the left-hand margin and encircled. This should be followed strictly. |
| **7** | If a question does not have any parts, marks must be awarded in the left-hand margin and encircled. This should also be followed strictly. |

P.T.O.

| | |
|---|---|
| **8** | If a student has attempted an extra question, answer of the question deserving more marks should be retained and the other answer scored out with a note **"ExtraQuestion"**. |
| **9** | No marks to be deducted for the cumulative effect of an error. It should be penalized only once. |
| **10** | A full scale of marks_____80_____(example 0 to 80/70/60/50/40/30 marks as given in Question Paper) has to be used. Please do not hesitate to award full marks if the answer deserves it. |
| **11** | Every examiner has to necessarily do evaluation work for full working hours i.e., 8 hours every day and evaluate 20 answer books per day in main subjects and 25 answer books per day in other subjects (Details are given in Spot Guidelines). |
| **12** | It should be ensured that the examiners do not commit the following type of errors which have occurred in the past.<br>● Giving more marks for an answer than assigned to it.<br>● Wrong totalling of marks awarded to an answer.<br>● Wrong transfer of marks from the inside pages of the answer book to the title page.<br>● Wrong question wise totalling on the title page.<br>● Leaving answer or part thereof unassessed in an answer book<br>● Wrong totaling of marks of the two columns on the title page.<br>● Wrong grand total.<br>● Marks in words and figures not tallying/not same.<br>● Wrong transfer of marks from the answer book to online award list.<br>● Answers marked as correct, but marks not awarded. (Ensure that the right tick mark is correctly and clearly indicated. Same is with the X for incorrect answer.)<br>● Half or a part of answer marked correct and the rest as wrong, but no marks awarded. |
| **13** | While evaluating the answer books if the answer is found to be totally incorrect, it should be marked as cross (X) and awarded zero (0) marks. |
| **14** | Any unassessed portion, non-carrying over of marks to the title page, or totalling error detected by the candidate shall damage the prestige of all the personnel engaged in the evaluation work as also of the Board. Hence, in order to uphold the prestige of all concerned, it is reiterated that the instructions be followed meticulously and judiciously. |
| **15** | The Examiners should acquaint themselves with the guidelines given in the "**Guidelines for spot Evaluation**" before starting the actual evaluation. |
| **16** | Every Examiner must ensure that all the answers are evaluated, marks carriedover to the title page, correctly totalled and written in figures and words. |
| **17** | The candidates are entitled to obtain a photocopy of the Answer Book on request on payment of the prescribed processing fee. All Examiners/Additional Head Examiners/Head Examiners are once again reminded that they must ensure that evaluation is carried out strictly as per value points for each answer as given in the Marking Scheme. |
