2-Ans L.M. Memorial Public School Takes a Step Towards Social Change

By: Karam

Delhi, City:

As part of our school's noble initiative to embrace social responsibility, L.M. Memorial Public School, Dwarka, has adopted a nearby village. Regular visits by students to teach underprivileged children have already sparked hope and enthusiasm in the community.

In addition to the teaching program, numerous other initiatives have been organized to uplift the villagers. Health camps were conducted, offering free medical check-ups and essential machines. Awareness drives on cleanliness and hygiene helped the locals adopt healthier lifestyles. Still developement workshops, focusing on sewing, handicrafts, and basic computer literacy, empowered women and youth, enabling them to be self-relaint.

Tree plantation drives and sessions on sustainable farming practices highlighted the importance of environmental conservation. The villager's enthusiastic participation in these programmes has been heartwarming. This initiative has not only brought a positive change in their lives but has also instilled a sense of responsibility and empathy in us, the students.
