	Marking Scheme **Strictly Confidential** **(For Internal and Restricted use only)** **Secondary School Supplementary Examination, July-2024** **SUBJECT NAME: Social Science SUBJECT CODE: 087 PAPER CODE: 32/S/3**
	General Instructions: -
1.	You are aware that evaluation is the most important process in the actual and correct assessment of the candidates. A small mistake in evaluation may lead to serious problems which may affect the future of the candidates, education system and teaching profession. To avoid mistakes, it is requested that before starting evaluation, you must read and understand the spot evaluation guidelines carefully.
2.	**"Evaluation policy is a confidential policy as it is related to the confidentiality of the examinations conducted, Evaluation done and several other aspects. Its' leakage to public in any manner could lead to derailment of the examination system and affect the life and future of millions of candidates. Sharing this policy/document to anyone, publishing in any magazine and printing in News Paper/Website etc may invite action under various rules of the Board and IPC."**
3.	Evaluation is to be done as per instructions provided in the Marking Scheme. It should not be done according to one's own interpretation or any other consideration. Marking Scheme should be strictly adhered to and religiously followed. **However, while evaluating, answers which are based on latest information or knowledge and/or are innovative, they may be assessed for their correctness otherwise and due marks be awarded to them. In class-X, while evaluating two competency-based questions, please try to understand given answer and even if reply is not from marking scheme but correct competency is enumerated by the candidate, due marks should be awarded.**
4.	The Marking scheme carries only suggested value points for the answers. These are in the nature of Guidelines only and do not constitute the complete answer. The students can have their own expression and if the expression is correct, the due marks should be awarded accordingly.
5.	The Head-Examiner must go through the first five answer books evaluated by each evaluator on the first day, to ensure that evaluation has been carried out as per the instructions given in the Marking Scheme. If there is any variation, the same should be zero after delibration and discussion. The remaining answer books meant for evaluation shall be given only after ensuring that there is no significant variation in the marking of individual evaluators.
6.	Evaluators will mark(√) wherever answer is correct. For wrong answer CROSS 'X" be marked. Evaluators will not put right (✓)while evaluating which gives an impression that answer is correct and no marks are awarded. **This is most common mistake which evaluators are committing.**
7.	If a question has parts, please award marks on the right-hand side for each part. Marks awarded for different parts of the question should then be totaled up and written in the left-hand margin and encircled. This may be followed strictly.
8.	If a question does not have any parts, marks must be awarded in the left-hand margin and encircled. This may also be followed strictly.
9.	If a student has attempted an extra question, answer of the question deserving more marks should be retained and the other answer scored out with a note **"Extra Question"**.
10.	No marks to be deducted for the cumulative effect of an error. It should be penalized only once.
11.	A full scale of marks _____80_____(example 0 to 80/70/60/50/40/30 marks as given in Question Paper) has to be used. Please do not hesitate to award full marks if the answer deserves it.
12.	Every examiner has to necessarily do evaluation work for full working hours i.e., 8 hours every day and evaluate 20 answer books per day in main subjects and 25 answer books per day in other subjects (Details are given in Spot Guidelines).
13.	Ensure that you do not make the following common types of errors committed by the Examiner in

	the past:- Giving more marks for an answer than assigned to it. ● Wrong totaling of marks awarded on an answer. ● Wrong transfer of marks from the inside pages of the answer book to the title page. ● Wrong question wise totaling on the title page. ● Leaving answer or part thereof unassessed in an answer book. ● Wrong totaling of marks of the two columns on the title page. ● Wrong grand total. ● Marks in words and figures not tallying/not same. ● Wrong transfer of marks from the answer book to online award list. ● Answers marked as correct, but marks not awarded. (Ensure that the right tick mark is correctly and clearly indicated. It should merely be a line. Same is with the X for incorrect answer.) ● Half or a part of answer marked correct and the rest as wrong, but no marks awarded.
14.	While evaluating the answer books if the answer is found to be totally incorrect, it should be marked as cross (X) and awarded zero (0)Marks.
15.	Any un assessed portion, non-carrying over of marks to the title page, or totaling error detected by the candidate shall damage the prestige of all the personnel engaged in the evaluation work as also of the Board. Hence, in order to uphold the prestige of all concerned, it is again reiterated that the instructions be followed meticulously and judiciously.
16.	The Examiners should acquaint themselves with the guidelines given in the "**Guidelines for spot Evaluation**" before starting the actual evaluation.
17.	Every Examiner shall also ensure that all the answers are evaluated, marks carried over to the title page, correctly totaled and written in figures and words.
18.	The candidates are entitled to obtain photocopy of the Answer Book on request on payment of the prescribed processing fee. All Examiners/Additional Head Examiners/Head Examiners are once again reminded that they must ensure that evaluation is carried out strictly as per value points for each answer as given in the Marking Scheme.

CBSE SUPPLEMENTARY EXAMINATION – JULY 2024
Marking Scheme
Class X -Social Science (087)
SET-32/S/3

SET- 3 **MM: 80**

S.No.	Values Points	Page No.	Marks-
	Section A **Multiple Choice Question**		**(20X1=20)**
1	(D) Power is shared among different levels of governments.	8-P	1
2	(A) Both (A) and (R) are true and (R) is the correct explanation of (A).	6-P	1
3	(D) Geothermal energy	55-G	1
4	(A) Only I and II are correct	31-G	1
5	(B) Rajasthan	26-G	1
6	(C) Both (A) and (R) are true and (R) is the correct explanation of (A).	13-G	1
7	(A) 1878	127-H	1
8	(C) III, I, II, IV	40-42 H	1
9	(D) Germany, Japan and Italy	74-H	1
10	(B) The abolition of state imposed restrictions on the movement of goods and capital.	9-H	1
11	(A) Developed	65-E	1
12	(D) Kerala	10-E	1
13	(A) Primary- Mining	20-E	1
14	(C) Moneylender	48-E	1
15	(C) Money obtained as interest on loan from the borrower.	42-E	1
16	(C) It is mandatory for all the candidates to give details of criminal cases on affidavit.	60-P	1
17	(A) Primary	20-E	1

	For Visually impaired candidates only- **(A) Primary**	**20-E**	**1**
18	**(D) Education, Forest, Marriage and Adoption**	**16-P**	**1**
19	**(A) Sinhalas**	**3-P**	**1**
20	**(D) Only I and IV are correct**	**14-P**	**1**
	Section B **Very Short Answer Type Questions**		**(4X2=8)**
21	**Why are constitutional provisions necessary for the success of federalism? Explain.** (i) The jurisdictions of the respective levels or tiers of government are specified in the constitution. So the existence and authority of each tier of government is constitutionally guaranteed. (ii) The fundamental provisions of the constitution cannot be unilaterally changed by one level of government. Such changes require the consent of both the levels of government. (iii) Courts have the power to interpret the constitution and the powers of different levels of government. (iv) Sources of revenue for each level of government are clearly constitutionally specified to ensure its financial autonomy. (v) Any other relevant point. **(Any two points to be explained)**	**15-P**	**2X1=2**
22	**"In igneous rocks, minerals may occur in the cracks, crevices, faults or joints." Support the statement with example.** (i) The smaller occurrences are called veins and the larger are called lodes. (ii) In most cases, they are formed when minerals in liquid/ molten and gaseous forms are forced upward through cavities towards the earth's surface. (iii) They cool and solidify as they rise. Major metallic minerals like tin, copper, zinc and lead etc. are obtained from veins and lodes. (iv) Any other relevant point. **(Any two points to be explained)**	**43-G**	**2x1=2**
23	**(a) How did the silk route connect the world?** (i) The silk routes are a good example of vibrant pre-modern trade and cultural links between distant parts of the world. (ii) Historians have identified several silk routes, over land and by sea,	**54-H**	**2X1=2**

	knitting together vast regions of Asia, and linking Asia with Europe and northern Africa. (iii) Chinese pottery also travelled the same route, as did textiles and spices from India and Southeast Asia. In return, precious metals – gold and silver – flowed from Europe to Asia. (iv) Trade and cultural exchange always went hand in hand. Early Christian missionaries almost certainly travelled this route to Asia, as did early Muslim preachers a few centuries later. (v) Buddhism emerged from eastern India and spread in several directions through intersecting points on the silk routes. (vi) Any other relevant point. **(Any two points to be explained)** **OR** **(b) How did our foods facilitates cultural exchanges between distant countries? Explain with any two examples.** (i) Traders and travellers introduced new crops to the lands they travelled. Even 'ready' foodstuff in distant parts of the world might share common origins. (ii) It is believed that noodles travelled west from China to become spaghetti. (iii) Arab traders took pasta to fifth-century Sicily, an island now in Italy. (iv) Similar foods were also known in India and Japan, so the truth about their origins may never be known. (v) Many of our common foods such as potatoes, soya, groundnuts, maize, tomatoes, chillies, sweet potatoes, and so on were not known to our ancestors until about five centuries ago. (vi) These foods were only introduced in Europe and Asia after Christopher Columbus accidentally discovered the vast continent that would later become known as the Americas. (vii) Sometimes the new crops could make the difference between life and death. Europe's poor began to eat better and live longer with the introduction of the humble potato. (viii) Any other relevant point. **(Any two points to be explained)**	**54-H**	**2X1=2**

24	**How has liberalization of trade and investment policies helped the globalization process? Explain with an example.** (i) Multi National Companies set up production units in other countries by investing money to reduce the cost of production. As a result, production across countries gets interlinked. (ii) With the liberalisation of trade, goods travel from one market to another. Choice of goods in the markets rises. (iii) Prices of similar goods in the two markets tend to become equal. Foreign trade thus results in connecting the markets or integration of markets in different countries (iv) Any other relevant point. **(Any two points to be explained.)**	**61-E**	**2X1=2**
	Section C **Short Answer Type Questions**		**(5X3=15)**
25	**"People can have different developmental goals." Explain the statement with examples.** (i) Social and cultural needs of every person are different and so are goals. (ii) A girl expects as much freedom and opportunity as her brother. And that he also shares in the household work but her brother may not like this. (iii) Industrialists may want more dams to get more electricity. (iv) The people around those water bodies -like tribals, may prefer small check dams or tanks to irrigate their lands. (v) Any other relevant point. **(Any three points to be explained.)**	**4-5 E**	**3X1=3**
26	**Suggest any three ways to solve the problem of land degradation.** (i) Afforestation and proper management of grazing. (ii) Planting of shelter belts of plants, (iii) Control on over grazing (iv) Stabilisation of sand dunes by growing thorny bushes is some of the methods to check land degradation in arid areas. (v) Proper management of waste lands (vi) Control of mining activities (vii) Proper discharge and disposal of industrial effluents and wastes after treatment can reduce land degradation in industrial and	**6-G**	**3X1=3**

	suburban areas. (viii) Any other relevant point. **(Any three points to be explained.)**		
27	**Describe any three features of 'primitive subsistence farming'.** (i) This type of farming is still practised in few pockets of India. (ii) Primitive subsistence farming practised on small patches of land. (iii) Use primitive tools like Hoe, Dao and digging sticks. (iv) This type of farming depends upon monsoon, (v) This type of farming depends upon natural fertility of soil and suitability of essential condition to crops grown. (vi) Any other relevant point. **(Any three points to be explained.)**	**34-G**	**3X1=3**
28	**Why is multiparty system necessary for India? Explain any three reasons.** (i) If several parties compete for power and more than two parties have a reasonable chance of coming to power is called multi – party system. (ii) Multi-party system accommodates the social and geographical diversity that is the reason India has adopted this system. (iii) In this system many times the government is formed by various parties coming together in a coalition, representing various section of the society. (iv) In multi-party system there is less chance of electoral dictatorship. (v) Any other relevant point. **(Any three points to be explained.)**	**49-P**	**3X1=3**
29	**(a) Analyse the economic impacts of the Non-Cooperation Movement.** (i) Boycott of Foreign Goods (ii) Development of Indigenous Industries (iii) Decline in Revenue for British Companies (iv) Adverse impact on Government Revenue (v) Economic Self-Reliance (vi) Any other relevant point **(Any three points to be analysed)** **OR**	**34 H**	**3X1=3**

	(b) "In India, the growth of modern nationalism was intimately connected to the anti-colonial movement." Analyse the statement. (i) People began discovering their unity in the process of their struggle with colonialism. (ii) The sense of being oppressed under colonialism provided a shared bond that tied many different groups together. (iii) The Congress under Mahatma Gandhi tried of forge these groups together within one movement. (iv) Symbols of nationalism like Bharatmata and Vandemataram (v) Anti-colonial movements like Non-Cooperation, Civil Disobedience etc were directed against the British rule (vi) Any other relevant point. **(Any three points to be analysed.)**	**29-H**	**3X1=3**
	Section D **Long Answer Type Questions**		**(4X5=20)**
30	**(a) How had the use of polish language come to be seen as a symbol of the struggle against Russian dominance in 1931?** (i) Poland was partitioned by the Great Powers-Russia, Austria and Prussia. Even though Poland did not exist as an independent territory, national feelings were kept alive through language. (ii) After Russian occupation, the Polish language was forced out of schools and the Russian language was imposed everywhere. (iii) In 1831, an armed rebellion against Russian rule took place which was ultimately crushed. Following this, many members of the clergy in Poland began to use language as a weapon of national resistance. (iv) Polish was used for Church gatherings and all religious instruction. (v) As a result, a large number of priests and bishops were put in jail or sent to Siberia by the Russian authorities as punishment for their refusal to preach in Russian. (vi) The use of Polish came to be seen as a symbol of the struggle against Russian dominance. (vii) Any other relevant point. **(Any five points to be explained)** **OR**	**15-H**	**5X1=5**

	(b) "How did Balkans become the source of serious nationalist tension in Europe after 1871? (i) The Balkans was a region of geographical and ethnic variation. (ii) A large part of the Balkans was under the control of the Ottoman Empire. (iii) The spread of the ideas of romantic nationalism in the Balkans together with the disintegration of the Ottoman Empire made this region very explosive. (iv) One by one, its European subject nationalities broke away from its control and declared independence. (v) The Balkan peoples based their claims for independence or political rights on nationality. (vi) As the different Slavic nationalities struggled to define their identity and independence, the Balkan area became an area of intense conflict. (vii) The Balkan states were fiercely jealous of each other and each hoped to gain more territory at the expense of the others. (viii) Matters were further complicated because the Balkans also became the scene of big power rivalry. (ix) During this period, there was intense rivalry among the European powers over trade and colonies as well as naval andmilitary might. (x) Each power – Russia, Germany, England, Austro-Hungary – was keen on countering the hold of other powers over the Balkans, and extending its own control over the area. (xi) This led to a series of wars in the region and finally the First World War (xii) Any other relevant point. **(Any five points to be explained)**	**26-H**	**5X1=5**
31	**(a) How is democracy better than any other form of government? Explain with examples.** (i) It promotes equality among citizens; (ii) It Enhances the dignity of the individual (iii) It improves the quality of decision-making (iv) It Provides a method to resolve conflicts (v) It allows room to correct mistakes. (vi) Accommodates social diversity (vii) Is an accountable and legitimate form of government (viii) Enhances freedom of citizens. (ix) Any other relevant point. **(Any five points to be explained)**	**64-P**	**5X1=5**

	OR **(b) How does democracy accommodate social diversities? Explain with examples.** (i) Democracies lead to peaceful and harmonious life among citizens. (ii) Democracies have successfully negotiated differences among ethnic populations. (iii) Democracy develops a mechanism to negotiate the differences. (iv) Majority to work with minority (v) Democracy develops a procedure to conduct competition. (vi) A democracy has the ability to handle social differences, divisions and conflicts. (vii) Equal treatment of women is a necessary ingredients of a democratic society. (viii) Democracy has strengthened the claims of disadvantaged. (ix) Any other relevant point. **(Any five points to be explained)**	**70-P**	**5X1=5**
32	**(a) Explain the significance of industries in the Indian economy.** (i) Industries help in modernising agriculture, which forms the backbone of our economy. (ii) They reduce the heavy dependence of people on agricultural income by providing them jobs in secondary and tertiary sectors. (iii) Industrial development is a precondition for eradication of unemployment and poverty from our country. (iv) It is also aimed at bringing down regional disparities by establishing industries in tribal and backward areas. (v) Export of manufactured goods expands trade and commerce, and brings in much needed foreign exchange. (vi) Countries that transform their raw materials into a wide variety of finished goods of higher value are prosperous. India's prosperity lies in increasing and diversifying its manufacturing industries as quickly as possible. (vii) Any other relevant point. **(Any five points to be explained.)** **OR**	**58-G**	**5X1=5**

(b) How are industries responsible for air pollution? Suggest any three measures to control it.

(i) Air pollution is caused by the presence of high proportion of undesirable gases, such as sulphur dioxide and carbon monoxide.
(ii) Airborne particulate materials contain both solid and liquid particles like dust, sprays mist and smoke.
(iii) Smoke is emitted by chemical and paper factories, brick kilns, refineries and smelting plants
(iv) Burning of fossil fuels in big and small factories that ignore pollution norms.
(v) Toxic gas leaks can be very hazardous with long-term effects.
(vi) Any other relevant point.

(Any two points to be explained) (2X1=2)

Particulate matter in the air can be reduced by-

(i) fitting smoke stacks to factories, with electrostatic precipitators
(ii) fabric filters
(iii) scrubbers and inertial separators.
(iv) Smoke can be reduced by using oil or gas instead of coal in factories.
(v) Any other relevant point.

(Any three points to be explained) (3X1=3)

66-G **2+3=5**

33 **(a) Distinguish between public and private sectors of economy.** **30-E** **5X1=5**

PUBLIC SECTOR	PRIVATE SECTOR
(i) In the public sector, the government owns most of the assets and provides all the services.	**(i)** In the private sector, ownership of assets and delivery of services is in the hands of private individuals or companies.
(ii) Activities in the public sector are guided by social welfare	**(ii)** .Activities in the private sector are guided by the motive to earn profits
(iii) Goods and services are provided at a reasonable cost	(iii) Cost may be high
(iv) Providing basic facilities are the responsibilities of the government so public	(iv) Private sector does not take responsibility for providing basic facilities

	sector will provide them even if it is not profitable		
	(v) Some facilities of the Public sector are funded by the taxes collected by the government	(v) Private sector uses private capital	
	(vi) Railways or post office is an example of the public sector	(vi) companies like Tata Iron and Steel Company Limited (TISCO) or Reliance Industries Limited (RIL) are privately owned	

(vii) Any other relevant point.
(Any five points of differences to be explained)

OR

(b) Explain the economic activities for which the primary responsibility rests with the government.

(i) Post and Telegraph services
(ii) Village administrative offices
(iii) Municipal corporations
(iv) Transport facilities
(v) Banking services
(vi) Insurance services
(vii) Any other relevant point.
(Any five points to be explained)

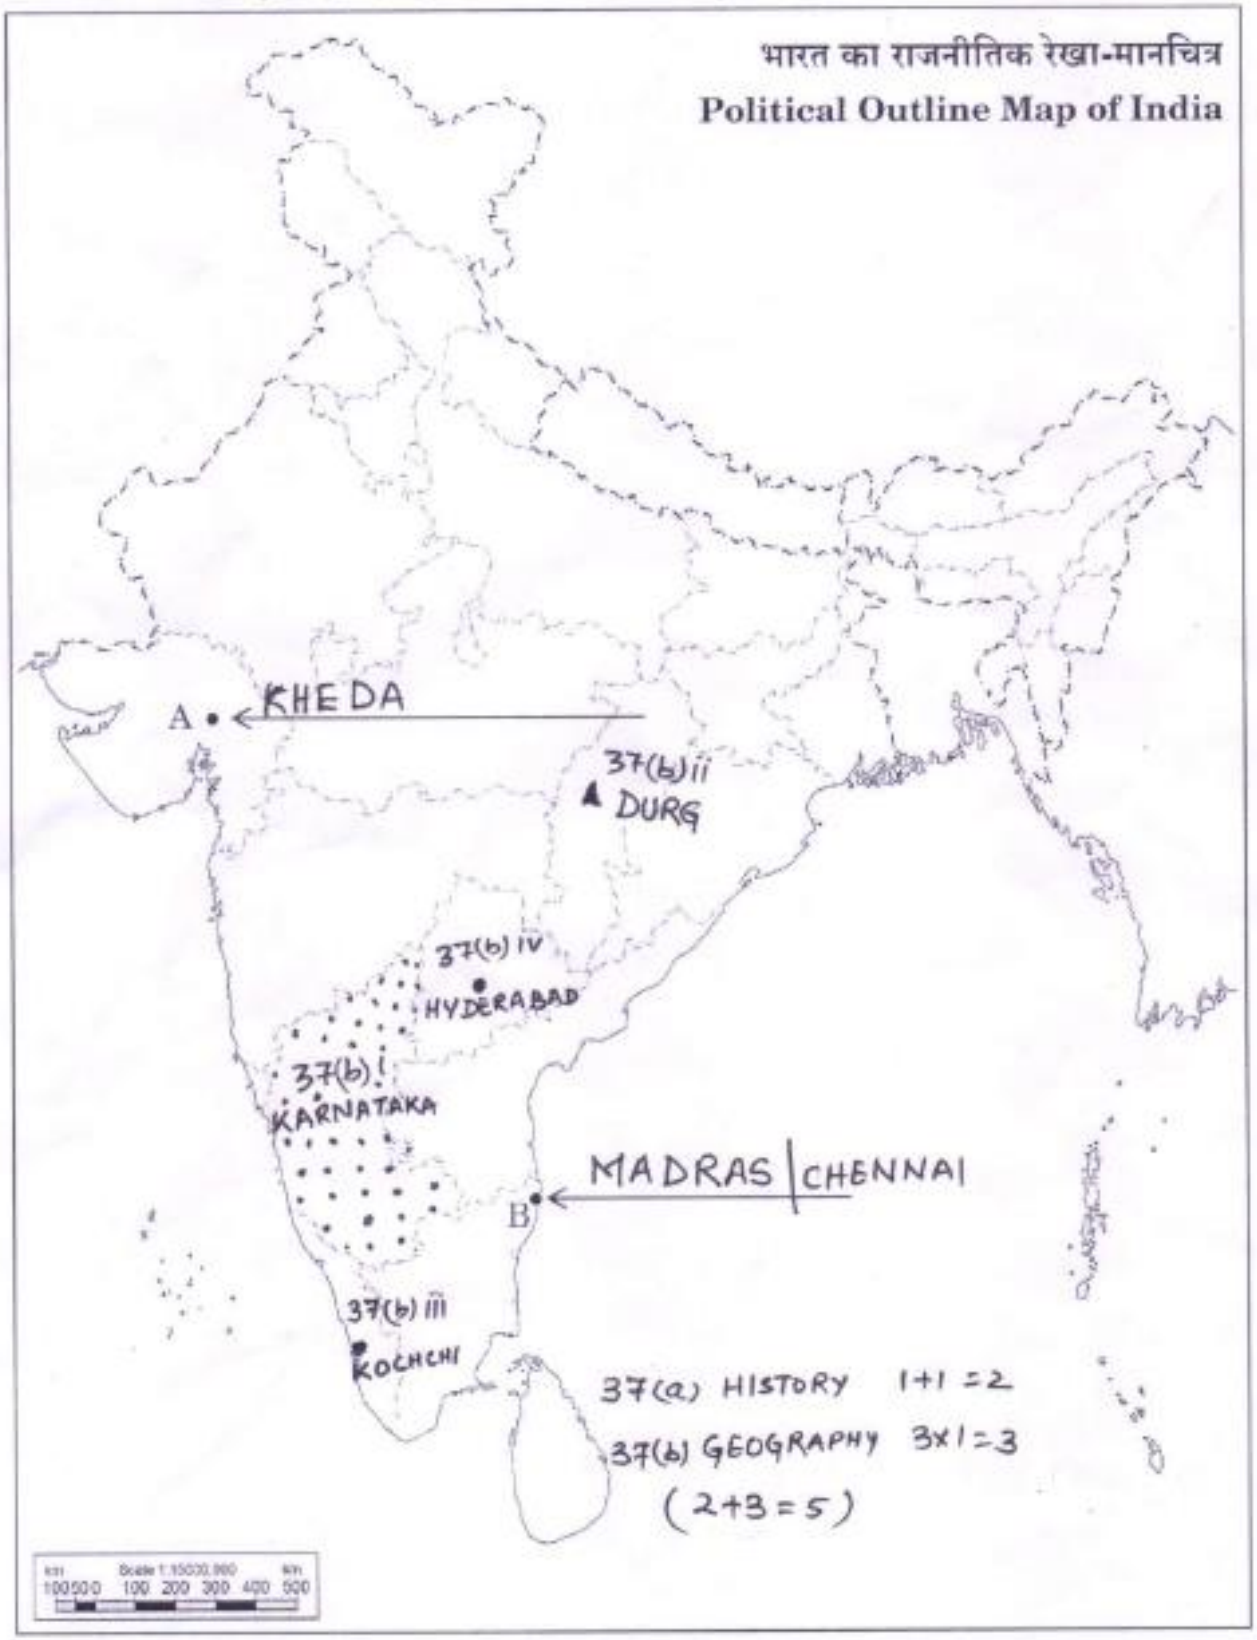
24-E **5X1=5**

	Section E **CASE BASED QUESTIONS**		**(3X4=12)**
34	**Read the given source and answer the questions that follow:** **Jikji** The Jikji of Korea is among the world's oldest existing book printed with movable metal type. It contains the essential features of Zen Buddhism. About 150 monks of India, China and Korea are mentioned in the book. It was printed in late 14th century. While the first volume of the book is unavailable, the second one is available in the National Library of France. This work marked an important technical change in the print culture. That is why it was inscribed on the UNESCO Memory of the World Register in 2001.	**108-H**	**1+1+2=4**

	(34.1) Mention the significance of the Jikji in the history of printing. (1) (i) The Jikji of Korea is among the world's oldest existing book printed with movable metal type. (ii) Any other relevant point. **(Any one point to be explained.)** **(34.2) Why was the Jikji inscribed on the UNESCO Memory of the World Register in 2001? (1)** (i) This work marked an important technical change in the print culture. That is why it was inscribed on the UNESCO Memory of the World Register in 2001. (ii) Any other relevant point. **(Any one point to be explained.)** **(34.3) How does the Jikji contribute to the understanding of Zen Buddhism? (2x1=2)** (i) Jikji contains the essential features of Zen Buddhism. (ii) About 150 monks of India, China and Korea are mentioned in the book. (iii) Any other relevant point. **(Any two point to be explained.)**		
35	**Read the given source and answer the questions that follow:** **Sustainability of Development** **"Recent evidence suggests that the groundwater is under serious threat of overuse in many parts of the country. About 300 districts have reported a water level decline of over 4 meters during the past 20 years. Nearly one-third of the country is overusing their groundwater reserves. In another 25 years, 60 percent of the country would be doing the same if the present way of using this resource continues. Groundwater overuse is particularly found in the agriculturally prosperous regions of Punjab and Western U.P., hard rock plateau area of central and south India, some coastal areas and the rapidely growing urban settlements."** **(35.1) Explain the meaning of Sustainability of Development. (1)** (i) Sustainable development means 'development should take place without damaging the environment and development in the present should not compromise with the needs of the future generations. (ii) Any other relevant point. **(Any one point to be explained.)**	**14-E**	**1+1+2=4**

	(35.2) Describe the serious threat caused by overuse of underground water. (1) (i) Recent evidence suggests that the groundwater is under serious threat of overuse in many parts of the country. (ii) About 300 districts have reported a water level decline of over 4 meters during the past 20 years. (iii) Any other relevant point. **(Any one point to be described.)** **(35.3) Mention any two suggestions for the farmers to reduce the overuse of the groundwater in agriculture. (2x1=2)** (i) Change in crop pattern. (ii) Use of newer techniques of irrigation like sprinkler, drip irrigation etc. (iii) Any other relevant point. **(Any two points to be mentioned.)**		
36	**Read the given source and answer the questions that follow:** **Social and Religious Diversity** **The Census of India records the religion of each and every Indian after every ten years. The person who fills the Census form visits every household and records the religion of each member of that household exactly the way each person describes it. If someone says she has 'no religion' or that he is an 'atheist', this is exactly how it is recorded. Thus we have reliable information on the proportion of different religious communities in the country and how it has changed over the years. The record shows the population proportion of six major religious communities in the country. Since Independence, the total population of each community has increased substantially.** **(36.1) At what interval is census conducted in India? (1)** 10 Years **(36.2) Why are India census data considered reliable? (1)** (i) The person who fills the Census form visits every household and records the religion of each member. (ii) Any other relevant point. **(Any one point to be explained.)**	**39-P**	**1+1+2=4**

	(36.3) How is the census an important tool to understand the social diversity in India? (2x1=2) (i) Census gives reliable information on the proportion of different social communities in the country and how it has changed over the years. (ii) The record shows the population proportion of six major religious communities in the country. (iii) Any other relevant point. **(Any twos point to be explained.)**		
	Section F **Map Based Questions**		**(2+3=5)**
37	(a) Two places 'A' and 'B' have been marked on the given political outline map of **India** (on page 23). Identify these places with the help of the following information and write their correct names on the lines drawn near them: (i) The place where Gandhiji organized Satyagraha to help the peasants. (ii) The place where the session of the Indian National Congress was held in 1927. **(PLEASE SEE ATTACHED MAP FOR ANSWERS)** (b) On the same political outline map of **India**, locate and label **any three** of the following with suitable symbols : (i) Leading Coffee-producing State (ii) Durg: Major iron ore mines (iii) Kochi: Major sea port (iv) Rajiv Gandhi International Airport **(PLEASE SEE ATTACHED MAP FOR ANSWERS)**		**1** **1** **3x1=3**
	Note: The following questions are for the **<u>Visually Impaired Candidates</u>** only, in lieu of Q. No. 37. **Attempt any five questions**. (37.1) Name the place where Gandhi Ji organized Satyagrah to help the peasants. – **KHEDA/ CHAMPARAN** (37.2) Name the place where the session of the Indian National Congress was held in 1927. – **MADRAS (CHENNAI)**		**5x1=5** **1** **1**

	(37.3) Name the leading Coffee-producing state of India. - **KARNATAKA**		**1**
	(37.4) Name the state where Durg iron-ore mines are located.- **CHATTISGARH**		**1**
	(37.5) Name the state where Kochi sea port is located.- **KERALA**		**1**
	(37.6) Name the place where Rajiv Gandhi International Airport is located.- **HYDERABAD**		**1**


प्रश्न सं. 37 के लिए SET: 32/S/1, 32/S/2, 32/S/3 **For question no. 37**
